"As a Contractor, working with AC Electric is easy as it comes. They show up when they are supposed to and they handle the project in a professional manner."

K2GC

"Very professional, reliable. Worked with us on changes we made and had great input on placement of lights. Very reasonable on price. Maintained a clean work area by covering furniture and floors.

We highly recommend AC Electric."

WHEN THE POWER FAILS, YOU WON'T.

A Generac home standby generator automatically restores power to your home during an outage, whether caused by storms, failed equipment or an overworked power grid, so your life goes on uninterrupted.

Whether you're home or away, if your home loses power, your home standby generator will restore it within seconds. A permanently installed Generac home standby generator does more than keep the lights on when the power fails; it delivers peace of mind.

BE PREPARED FOR POWER OUTAGES.

AC Electric & Custom Design Lighting, Inc. can help you decide what size and walk you through the process from Purchase & Permitting to Installation.
